

It had to be a success. So much energy and passion went into it. Congratulations. I lifted a glass (or two) of Ken Forester Chenin Blanc which was ideal with my Nandos Peri Peri Chicken on Friday night to salute the school and all of you. I look forward to seeing more pics just to remind me when I look at you just how old I have got.

Stem SAAM guys. It was absolutely great, but I should not be included in this list of guys that did the amazing efforts. It was fantastic, yes and hope to reconnect again soon. Let's get that video shown on our site or Youtube? Best legal and sober brains needed also to get the Scheepers issue resolved, and glad we left that on side for our 50 th.

**Henry Muller**

Groot, Groter, Grey! Dankie aan julle vir die uit/ hoogstaande gehalte van en vir reëlings van die verrigtinge oor die skool se verjaardagnaweek.

**Carl Kuschke**

Dankie vir die twee "Tomme". Dit was sekerlik die beste reünie ooit: 'n Moerse sukses! Ek dink ons as Class of '68 had the best School Captain and Vice Captains in Lanties, Fred en Henry. Thanks for all the guys who came from far: Clasie, Dennis, Patrick and Willie. Dan ook vêr in in SA gekom, naamlik Cedric (Salt Rock), Philip (Plet), Sckalk (Hopefield) en almal van die Kaap.

Ook bly vir die verlore skape soos Gerrie, Arie, Jacobus Henning en ander.

**Johan Kruger**

Dit was sonder twyfel die beste reunie ooit en dit was net ongelooflik om byna 80 mense te sien uit die jare sestigs. Baie dankie vir die gelag en die jokes en staaltjies uit die verlede en al julle stories.

To all of you, even from overseas, who made the effort to come and share, a huge than you! To the two Tomme, for the last time "thank you gentlemen it was just awesome and we appreciate it" go well all of you.

**Wilhelm Landman**

Baie dankie Tom en Tom! Ons sal vir amper ewig dankbaar wees vir wat julle vir ons Klas van 68 gedoen het. Ek het na 9 uur in Somerset-Wes veilig gearriveer, deur twee moerse reënstorms en 'n haelstorm. Nowhere to hide inni Karoo! Geniet die volgende 5 jaar. Sien julle dan of vroeër.

**Pierre du Plessis**

I am a builder, and I know the importance of solid foundations! Ha-Ha. Lag vir my eie grappe van more because of the great week end I have had. My thanks to all my class mates for a great reunion.

**Johnny Bez**

Ek weet ek het nie veel tot die kommunikasie bygedra nie, maar hiermee wil ek net baie dankie sê vir 'n wonderlike voorreg en geleentheid die afgelope naweek. Aan die besige mense wat die reëlings getref het asook aan almal wat teenwoordig was. So bly my beter helfte het my (half) geforseer om by te woon. It exceeded my expectations but with you guys I did not expect less!

**Bees van Blerk**

Ek wil vir julle twee Tomme baie dankie se vir die reëlings, asook die moeite wat julle gedoen het om elkeen op te spoor. Dit was voorwaar 'n voorreg om deel te kon wees van die feesvierings. Ek het dit voorwaar geniet. Hoewel dit die eerste reünie is wat ek bygewoon, was daar 'n paar van die manne, veral die wat dieselfde vakkeuses as ek gehad het, by wie ek lekker kon inskakel. Weer eens baie dankie: dit was 'n groot voorreg.

**Kobus Olivier**

Thank you for a wonderful reunion. It was great to come back and to reconnect with some of the boys, even though I had to get my memory functioning at top speed! Being back for school assembly was moving; something stirred deep within me. I was fortunate to attend Grey. Keep well and maybe we'll meet again in 5 years' time.

**Patrick Heaven**

Baie dankie vir n great naweek en al die reelings! 68 voel soos gister en niemand het oud geword nie! Tyd het net gou verby gegaan!

**Lindsay Mould**

I would like to thank the 2 of you for a wonderful re-union. I was not very keen to attend as I am quite allergic to these sorts of occasions. My wife convinced me to go and I have to admit she was right. The organization prior and during the re-union was fantastic. I enjoyed the informality of the Saturday events and it was great to see my class mates.

**Robert Gie**

Hartlik dank aan een en almal wat bygedra het om die Reunie 'n reuse sukses te maak.

**Johan Botha**

'n Groot dankie aan die Reuniespan vir 'n onvergeetlike 1968 50-jarige Matriek-Reunie!

**Gerrie Zaaiman**

Stem met groot dankbaarheid saam! Many thanks.

**Harold Verster**

Ek het vanoggend na julle '68 klas se website gekyk. Dit was soos 'n trip down memory lane. Julle het 'n standaard gestel wat nie maklik oortref sal word nie.
